Sir:

I received the vest bid documents and samples from Rita Weiss. Only one company met all of the requirements for the vest bid Streicher's with a bid of \$530.00 per vest for the three year period. My recommendation is Streicher's.

Gall's- Did not meet the sizing requirements of C1 sizing, that is the smallest vest. Current NIJ standards do allow a vest to be cut down more than 1 inch on each side.

Ray O'Herrons did not meet the C1 sizing on the vest from PACA Point Blank. Their vest from Protective Products did not include the ISO certification, insurance documentation or sizing all requirements of the bid.

Police One Equipment did not meet the requirement of the 3 inch built up vertical spinal and sternum trauma reduction zones.

If you have any questions please contact the Laraway Training Unit at 727-5296.

Thank you for your continued support.
