Edward Byrne Memorial Justice Assistance Grant Program CFDA #16.738

Overview of the JAG Program

The Edward Byrne Memorial Justice Assistance Grant (JAG) Program (42 U.S.C. 3751(a)) is the primary provider of federal criminal justice funding to state and local jurisdictions. JAG funds support all components of the criminal justice system, from multijurisdictional drug and gang task forces to crime prevention and domestic violence programs, courts, corrections, treatment, and justice information sharing initiatives. JAG funded projects may address crime through the provision of services directly to individuals and/or communities and by improving the effectiveness and efficiency of criminal justice systems, processes, and procedures.

Deadline: Registration

Applicants must register with the Office of Justice Programs' (OJP) Grants Management System (GMS) prior to applying.

Deadline: Applications

The due date for applying for funding under this announcement is 8:00 p.m. e.t. on July 9, 2009.

Eligibility

Applicants are limited to units of local government appearing on the FY 2009 JAG Allocations List. To view this list, go to www.ojp.usdoj.gov/BJA/grant/09jagallocations.html. For JAG program purposes, a unit of local government is: a town, township, village, parish, city, county, borough, or other general purpose political subdivision of a state; or, it may also be a federally recognized Indian tribe or Alaskan Native organization that performs law enforcement functions as determined by the Secretary of the Interior. Otherwise a unit of local government may be any law enforcement district or judicial enforcement district established under state law with authority to independently establish a budget and impose taxes. In Louisiana, a unit of local government means the office of a district attorney or a parish sheriff. In the District of Columbia or any United States Trust Territory, a unit of local government is any agency of the District of Columbia or Federal government performing law enforcement functions for the District of Columbia or Trust Territories of the United States. For a listing of eligible units of local government, go to www.ojp.usdoj.gov/BJA/grant/09jagallocations.html.

JAG Program—Specific Information

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law.

Established to streamline justice funding and grant administration, the JAG Program allows states, tribes, and local governments to support a broad range of activities to prevent and control crime based on their own local needs and conditions. JAG blends the previous Byrne

Formula and Local Law Enforcement Block Grant (LLEBG) Programs to provide agencies with the flexibility to prioritize and place justice funds where they are needed most.

Formula

The Bureau of Justice Statistics (BJS) calculates, for each *state and territory*, a minimum base allocation which, based on the statutory JAG formula, can be enhanced by (1) the state's share of the national population and (2) the state's share of the country's Part 1 violent crime statistics. Once the state funding is calculated, 60 percent of the allocation is awarded to the state and 40 percent to eligible units of local government.

States also have a variable percentage of the allocation that is required to "pass through" to units of local government. This amount, also calculated by BJS, is based on each state's crime expenditures. In addition, the formula calculates direct allocations for local governments within each state, based on their share of the total violent crime reported within the state. Local governments that are entitled to at least \$10,000 awards may apply directly to BJA for local JAG funds.

Purpose Areas

JAG funds may be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, information systems for criminal justice, and criminal justice related research and evaluation activities that will improve or enhance:

- Law enforcement programs.
- Prosecution and court programs.
- Prevention and education programs.
- Corrections and community corrections programs.
- Drug treatment and enforcement programs.
- Planning, evaluation, and technology improvement programs.
- Crime victim and witness programs (other than compensation).

Responsibilities

The Chief Executive Officer (CEO) of an eligible unit of local government or a local agency designated by the CEO must submit the application for JAG funds. A unit of local government receiving a JAG award will be responsible for the administration of the funds including: distributing the funds; monitoring the award; submitting reports including performance measures and program assessment data; and providing ongoing oversight and assistance to any subrecipients of the funds.

Administrative Funds

A unit of local government may use up to 10 percent of the award, plus any interest accrued, for costs associated with administering JAG funds.

Disparate Certification

A disparate allocation occurs when a city or municipality is scheduled to receive one-and-one-half times (150 percent) more than the county, while the county bears more than 50 percent of the costs associated with prosecution or incarceration of the municipality's Part 1 violent crime. Multiple disparate allocations occur when multiple cities or municipalities are collectively eligible to receive four times (400 percent) more than the county.

- ★ Jurisdictions certified as disparate must identify a fiscal agent that will submit a **joint application** for the total eligible allocation. The joint application must specify the award distribution to each unit of local government and the purposes for which the funds will be used. When beginning the JAG application process, a Memorandum of Understanding (MOU) that identifies which jurisdiction will serve as the applicant/fiscal agent for joint funds, must be completed, and signed by the Authorized Representative for each participating jurisdiction. The signed MOU should be attached to the application. For a sample MOU, go to www.ojp.usdoj.gov/BJA/grant/jaq09/09JAGMOU.pdf.

Governing Body Review

The applicant agency (fiscal agent) must make the grant application available for review by the governing body (or to the organization designated by the governing body) not fewer than 30 days before the application is submitted to BJA.

Public Comment

The Local JAG application must include a statement that the application was made public and that, to the extent of applicable law or established procedure, an opportunity to comment was provided to citizens and neighborhood or community organizations.

Supplanting

Federal funds may be used to supplement appropriated funds, in an effort to augment program activities. However, federal funds cannot replace or supplant nonfederal funds that have been appropriated for the grant's purpose.

Award Amount

The FY 2009 JAG Allocations List indicates the amount for which each unit of local government is eligible to apply. For a listing of eligible units of local government and eligible amounts, go to www.ojp.usdoj.gov/BJA/grant/09jaqallocations.html.

Length of Awards

Awards are made in the first fiscal year of the appropriation and may be expended during the following 3 years, for a total of 4 years. Extensions may be granted at the discretion of the BJA Director and must be requested via GMS **no less than 30 days prior to the grant's end date**.

Trust Fund

Each unit of local government may draw down any and all JAG funds after acceptance of the award. To do so, a trust fund must be established in which to deposit the funds. The trust fund may or may not be an interest-bearing account. If subrecipients draw down JAG funds in advance, they also must establish a trust fund in which to deposit funds.

Prohibited Uses

No JAG funds may be expended outside of JAG purpose areas. Even within these purpose areas, however, JAG funds cannot be used directly or indirectly for security enhancements or equipment for nongovernmental entities not engaged in criminal justice or public safety. Nor may JAG funds be used directly or indirectly to provide for any of the following matters unless BJA certifies that extraordinary and exigent circumstances exist, making them essential to the maintenance of public safety and good order:

- Vehicles (excluding police cruisers), vessels (excluding police boats), or aircraft (excluding police helicopters).
- Luxury items.

- Real estate.
- Construction projects (other than penal or correctional institutions).
- Any similar matters.

Reporting Requirements

- Once an award is accepted, quarterly financial status reports (SF-269s), quarterly performance metrics reports, and an annual progress report must be submitted to BJA.
- For more detailed information on reporting and other JAG requirements, refer to the JAG [FAQs](#).

Match Requirement

While match is not required with the JAG Program, match is an effective strategy for states and units of local government to expand justice funds and build buy-in for local criminal justice initiatives.

Performance Measures

To assist in fulfilling the Department's responsibilities under the Government Performance and Results Act of 1993 (GPRA), P.L. 103-62, applicants who receive funding under this solicitation must provide data that measure the results of their work. In addition, applicants must discuss their data collection methods in the application. New performance measures have been developed by BJA with input from criminal justice members in the field (including SAAs). Performance measures for the JAG Program can be found at: www.ojp.usdoj.gov/BJA/grant/JAG_Measures.pdf.

How to Apply

Grants Management System Instructions. Applications must be submitted through OJP's online Grants Management System (GMS). To access the system, go to <https://grants.ojp.usdoj.gov>. Applicants should begin the process a few weeks prior to the GMS registration deadline, especially if this is the first time they have used the system. Each application requires a separate GMS registration. For a step-by-step guide, visit <http://www.ojp.gov/gmscbt/> and refer to the section entitled "External Overview: Locating & Applying for Funding Opportunities." For additional assistance, call the GMS Help Desk at 1-888-549-9901 from 7:00 a.m. to 9:00 p.m. e.t.

Note: OJP will not review any application whose attachments are in Microsoft Vista or Microsoft 2007 format. Applications submitted via GMS must be in the following word processing formats: Microsoft Word (*.doc), Microsoft Excel files (*.xlm), PDF files (*.pdf), or Text Documents (*.txt). GMS is not yet compatible with Vista and cannot yet process Microsoft Word 2007 documents saved in the new default format with the extension ".docx." Please ensure the documents you are submitting are saved using "Word 97-2003 Document (*.doc)" format.

In addition, GMS does not accept executable file types as application attachments. These disallowed file types include, but are not limited to, the following extensions: ".com," ".bat," ".exe," ".vbs," ".cfg," ".dat," ".db," ".dbf," ".dll," ".ini," ".log," ".ora," ".sys," and ".zip."

CFDA Number: The Catalog of Federal Domestic Assistance (CFDA) number for this solicitation is 16.738, titled "Edward Byrne Memorial Justice Assistance Grant Program."

A DUNS number is required: The Office of Management and Budget requires that all applicants for federal funds include a DUNS (Data Universal Numeric System) number in their application. Applications without a DUNS number are incomplete. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities worldwide, including those receiving federal funds. The identifier is used for tracking purposes, to assist federal agencies with transparency of federal funding, and to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, simple, one-time activity. Obtain one by calling 1-866-705-5711 or by applying online at www.dunandbradstreet.com.
