- Others (List Below or Attach):

IX. What Have We Done Well? FOIA's are completed in the required time. Residents phone calls and emails are returned within 24 business hours. New services for the residents are being added every year such as the pumpkin recycling program started in 2023.

X. What Inefficiencies Did We Identify/What Are our Next Steps?

XI. It is our practice to strive for continuous improvement, we have not currently identified any new inefficiencies.

XII. What Can We Do Better or More Efficiently?

Plainfield Township Road District has a capital plan that allows us to constantly monitor our progress in a metric way to keep all our programs and services efficient and cost effective. We will continuously review this plan for increased efficiency.

XIII. Studies on Governmental Efficiencies

In preparing this report, we reviewed several studies on local government efficiency. These studies show that:

- The average local government in Illinois serves 1800 residents compared to the national median of 2850 individuals
- Most townships in Illinois have no bonded indebtedness. Together with road districts they are an integral element of local democracy. Township expenditures have grown at a lower rate than those of any other level of government since 1992.
- Townships have lower labor costs and employ mostly part time employees.

XIV. Our committee's recommendations regarding Increased Accountability and Efficiency:

Note: This Report must be filed with your County no later than 18 months after your first committee meeting.
